

# Play to make it happen

A powerful goal-setting tool that helps turn your dreams into reality.

SHORT VIDEO

## What do you get?

By setting goals in the right way, we significantly increase the probability of achieving them and living a fulfilling and purpose-driven life.

TRANSFORM ANY WISH INTO A CLEARLY DEFINED GOAL

INCREASE YOUR CHANCES OF REACHING YOUR GOAL

ACQUIRE A CHAMPION-LIKE MINDSET

TRAIN YOURSELF IN MINDFULNESS

FREE YOURSELF FROM LIMITING BELIEFS

DISCOVER THE POWER OF VISUALIZATION

DEVELOP A POWERFUL ACTION PLAN

WIRE YOUR BRAIN FOR SUCCESS

## A gift for colleagues

Do you want your colleagues to learn how to set their goals in the best way possible? And how to stay motivated and focused on their goals (work) in a stressful environment. Empower them to become the best version of themselves with the help of the goal-setting tool, Play to Make it Happen.

## A gift for business partners

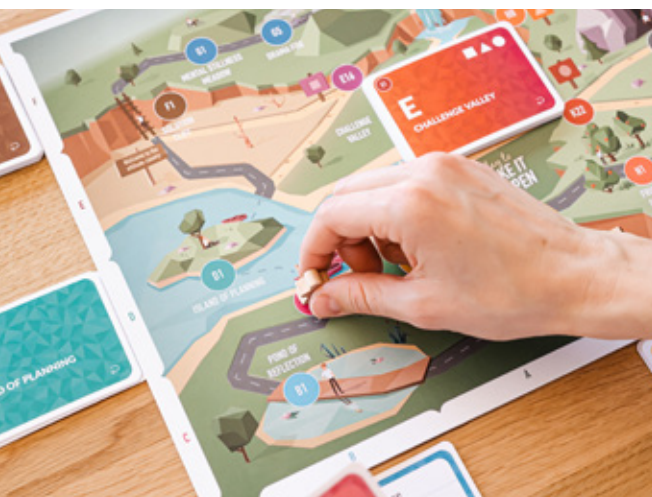

Show your business partners that you wish them personal success and give them a tool that will help them achieve their dreams. They will be undoubtedly grateful as it will positively impact their life and enable them to feel fulfilled on both a personal and a business level.

## Gift message

»I want you to achieve everything your heart desires.«

## A gift to the environment

We care profusely about the environment and want to contribute to a clean planet. As such, all components of the product Play to Make it Happen are **made entirely from sustainable materials** in an ECO factory in Poland. Manufacturing energy is obtained from renewable sources and rainwater is used in production.

## Main benefits

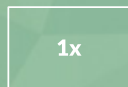

- Environmentally friendly product, made in EU
- Promotes sustainability and social responsibility
- Carries a deep, emotional message
- "A must have" tool for every home
- Long-term use
- Customize it with your logo/brand

## ABOUT THE AUTHOR

**Sara Isaković** is an Olympic silver medallist, and European and NCAA Champion. She graduated from the University of California, Berkeley, earning an MA in Performance Psychology. She is a published researcher in neuroscience, as well as an author, TEDx speaker and lecturer. She has worked with various individuals and organizations; from Olympic athletes and pilots, to musicians and businessmen, helping them optimize their performance in a highly demanding work environment. Her aim is to help people achieve their potential, providing the right psychological tools (just like this game!) while developing healthy, resilient mindsets! You can learn more about Sara and her services at [www.saraisakovic.com](http://www.saraisakovic.com)
